ELECTRONIC INFORMATION DISCLOSURE STATEMENT

Electronic Version v18
Stylesheet Version v18.0

Title of Invention	GRAVITY POWERED MIXER SYSTEM																																																																																						
Application Number:	10/659798 																																																																																						
Confirmation Number:	5265																																																																																						
First Named Applicant:	Gerhardt Van Drie																																																																																						
Attorney Docket Number:	Vandri.G-14																																																																																						
Art Unit:	1723																																																																																						
Search string:	(2784150 or 3788616 or 3773015 or 4363212 or 4595296 or 4747036 or 4779990 or 4919849 or 5156778 or 5198156).pn.																																																																																						
<p><u>Certification:</u> This Information Disclosure Statement was submitted under the following conditions, which satisfies the requirement under 37 CFR 1.97(e). The filer certified:</p> <p>That no item of information contained in the information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign application, and, to the knowledge of the person signing the certification after making reasonable inquiry, no item of information contained in the information disclosure statement was known to any individual designated in 37 CFR 1.56(c) more than three months prior to the filing of the information disclosure statement.</p>
